2 Beds | 2 Baths | 1,320 sqft | Garage: No

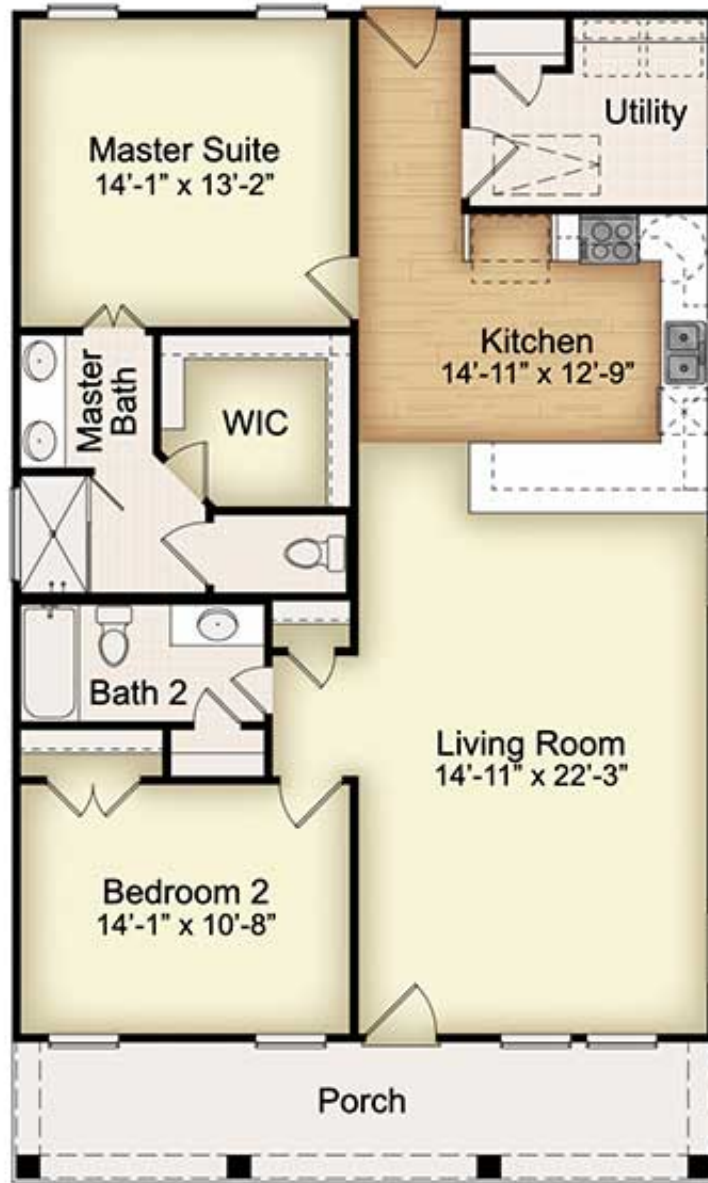

Driftwood

This model is the perfect breezy design to build along a lake. Inspired by classic lakeside living, the open layout has modern advantages such as a long peninsula in the kitchen. The private owner's suite at the rear offers some of the home's best views.

- Classic lakeside living
- Maximizes outdoor views
- Kitchen with wrap-around eat ledge
- For a larger lake home, check the Navasota
